## PRESS RELEASE

### 21<sup>st</sup> Woburn Golf Day for Racing Welfare

Team spaces for Racing Welfare's Annual Charity Golf Day, held at the stunning Marquess' Course at Woburn, are filling rapidly. The Stableford competition for teams of four provides the main event of the day and there are additional prizes for nearest-the-pin and longest drive contests.

Entries have been flooding in with many sectors of the Racing Industry represented by teams from The Jockey Club, The British Horseracing Authority, Darley and Tattersalls. Recent Cheltenham Festival winning trainer Warren Greatrex and Walter Swinburn, of Genesis Green Stud, are also set to play. An auction, to be held at the end of the competition, has fantastic lots on offer including two golfing holidays at Pestana Alvor Atlantico Residences, Portugal and the K Club Resort, Co. Kildare. These have been kindly donated by Your Golf Travel and Peter Savill.

His Grace The Duke of Bedford and all of his team at Woburn are very generous in their support of this event which allows Racing Welfare to offer an unrivalled golfing experience at the same time as raising much-needed funds. It will be the 21<sup>st</sup> running of the competition at this course which has twice hosted the British Masters.

Last year this event raised over £16,000 for the charity. The competition was won by the Highflyer Productions team, comprising John Francombe, Andrew Franklin, Martin Clark and Jim Pett. The first three members of the team will be returning this year to defend their title.

Very limited team spaces are available for this competition. Visit [www.racingwelfare.co.uk](http://www.racingwelfare.co.uk) for full details of how to make an entry.

Ends.....

### Notes for Editors:

Racing Welfare is a UK-wide charity whose headquarters are in Newmarket. It serves the needs of racing personnel from the beginning of their careers through to retirement. The wide range of help provided includes provision of affordable housing, mentoring schemes for young workers, advice for those coping with illness and disabilities; through to specialist counselling and support at times of need or personal crisis.
